

LATIN AMERICA DOWNUNDER

16-17 May 2018
Pan Pacific Perth

MEDIA ALERT

15 May 2018

Latin America Down Under opens 8.40am (WST), Wednesday 16 May at Pan Pacific Perth Hotel

The 7th annual meeting of Australian and Latin American mining, exploration and government stakeholders will be officially opened by Conference Convenor and Paydirt Media Executive Chairman Bill Repard tomorrow morning at 8.40am, immediately followed by a scene setting address by Foreign Minister Julie Bishop at 8.50am.

Ms Bishop will be available at 8.30am for a brief doorstep interview opportunity with registered press delegates in the conference media room on the main floor of event.

This year's conference has a programme of industry and government presenters across two full days, Wednesday and Thursday 16-17 May. Ms Bishop will be joined on the agenda by senior ministerial delegations from Argentina, Peru, Panama and Paraguay as well as representatives from Brazil, Colombia and Ecuador who are eager to encourage a greater Australian presence in their mining sectors.

Media are welcome to attend the event, with full media room services available and complimentary registration offered.

About Paydirt Media

Paydirt Media was established in 1994 and is well-known in the industry for reaching board-level decision makers and investors across the exploration and mining sectors. Paydirt Media publishes its flagship magazine “Australia’s Paydirt” monthly and “Gold Mining Journal” quarterly.

The company’s conference suite includes its internationally renowned Africa Down Under, which is held annually in late August and in 2012 ran across three days and attracted 2,500 delegates, 89 quality presentations and had an exhibition of 160 booths.

Other events include South Australian Resources & Energy Investment Conference, Paydirt's Battery Minerals Conference, the Australian Nickel Conference, and the biennial NewGen Gold Conference
